Chief: A winch and a trash pump were purchased and all came in. Job well done to the members that participated in wildwood. The 3 members that are in fire school are all doing well. Saturday will be Buena day.

Old Business: There was a meeting with Mr. Preziosi and we should get our voucher system in order. There was discussion on whether we should have to get approval from the commissioners for purchases that are already allotted for in the budget, should only have to contact R. Andaloro to see if enough in the account. It was decided among the commissioners to keep it the same as it has been in the past, in getting commissioners approval first. Also, Mr. Preziosi said it should not be a problem to get a credit card. There was motion and approval by 1. R. Crowell 2. R. Demarco to obtain a susquehanna credit card with a limit of \$3,000. Also implementing the PO system in which anything adding up to \$3,000 needs preapproval on any one item by the commissioners.

Building: Have not heard anything back on pricing of the windows. Also need figures on painting the grid of the ceiling. There was a discussion on building shelves in the meeting room to display our plaques and trophies properly. Would like to purchase new ceiling tiles as opposed to painting them. Discussion to be brought back at November's meeting.

New Business: None

Public Portion: John Kline brought medical paperwork for the OEM to be filled out by all members. J. Kaspar got the new saw last month and it is currently mounted in the ladder truck. There was a nice turnout for prepping the trucks for wildwood. The ladder took 1st Auto car and tender took 2nd. C. Fabbri took the auto car to a show in Pa. he found out some really good information about the autocar.

Motion to Adjourn: 1. R. Crowell 2. R. Demarco at 8:00pm

Respectfully Submitted,
Stephanie Dixon, Secretary
